## FAQ's

Q: What level of hotel is included?

A: Hotel accommodation will be 4\* located in West London

Q: Is transport included?

A: No. But airport transfers can be added at an additional cost. This will vary based on your arrival airport and time. Please email [charlotte@xlsportsworld.com](mailto:charlotte@xlsportsworld.com) for more details.

Q: Do we need to purchase an Oyster Card for the London Underground?

A: No - it's not necessary. You can now simply use your contactless card or Apple/Google Pay to access the Underground or Tube in the same way you would an Oyster. You can still buy these at the station if you have high foreign transaction fees.

Q: Are triple rooms available?

A: Yes. If travelling as a 3 we can arrange a triple room. These are charged per head rather than per room and usually consist of a double and single bed, perfect for families. As such the price per person for the trip is the same, so register as normal and let us know in the room mate section that you want a triple or family room.

Q: What are the tickets for the games?

A: For the womens game these will be General Admission seats. For the men's game we include premium tickets which will include access to a lounge before the game which is optional. There will no doubt be a few local Chelsea pubs to explore before the match and soak up the atmosphere too.
